

Welcome to Sage Heart Studio,

I am glad you have chosen my practice for your Reiki services. I am a Reiki Master/Teacher in the lineage of Mikao Usui Reiki tradition. I am an integrative therapist with a Masters in Marriage and Family Therapist under supervision toward licensure with Robb Palmer, Ph.D., D.Min, LMFT. I earned my Masters degree from Evangelical Seminary in Myerstown, PA and pursued further training to become a Certified Somatic Therapist. I am a Pennsylvania licensed massage therapist with additional training in Trauma Touch Therapy. I hold a certificate in spiritual direction from Oasis Ministries in Camp Hill, PA. I have worked as a spiritual director and contemplative retreat leader since 2011. I work primarily with clients who are 14 years and older on a variety of issues including life transitions, communication challenges, trauma resolution, spiritual and personal growth issues, and relationship conflict. I also offer education around these same issues for community groups, churches, and support groups.

In my practice I desire to address your needs from a holistic perspective, meaning I want to involve your whole person (body, mind, spirit/soul) and the environment in which you live. My Reiki practice is used to support your health and well-being. You can find out more about it on my website <http://www.sageheartstudio.com/>.

If the environment of the office is not conducive to your treatment or you have concerns about your treatment, please let me know as soon as possible. I take your concerns seriously and would like to discuss how I can best support you on this journey. I can be contacted at (717) 449-0934. A message may be left on my confidential voice mail. Please leave a number I may use to contact you and the best time to reach you.

Sincerely,

Ramona A. Ndlovu, Reiki Master/Teacher, MAMFT, L.M.T., TTT™, CST-L1
